

Waikato Hospital Heliport Conditional Determination

Heliport Proposal, Search and Rescue Services Limited

PURSUANT TO Rule Part 157 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Search and Rescue Ltd, Notice of Heliport Proposal, conducted an Aeronautical Study in consultation with such persons, representative groups and organisations as I considered appropriate.

After completing the Aeronautical Study I am satisfied that the proposed action will not adversely affect the safety of persons or property on the ground but may impact the safe and efficient use of airspace.

THEREFORE I HEREBY ISSUE a

CONDITIONAL DETERMINATION

in respect of the Notice of Proposal. The following conditions are specific to this Determination:

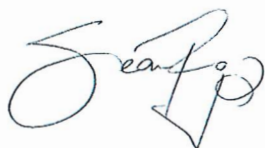

- All operations at the Waikato Hospital Heliport must be conducted in accordance with any land use resource consent conditions issued by the Waikato District Council, and must also report any non-compliances to the consent to the Waikato District Council; and
- The safety design guidance and recommendations published in CAA Advisory Circular AC139-8 should be considered in the heliport design and operation; and
- A windsock remains installed at Waikato Hospital Heliport in accordance with AC139, Chapter 5.1; and
- Search and Rescue Services Limited is to ensure appropriate fencing and signage is installed around the perimeter of all operational areas of the Heliport; and
- Search and Rescue Services Limited is to ensure all changes to the Heliport are updated in the AIP NZ to show the relocated Touchdown and Lift-Off (TLOF), the Final Approach and Take-Off (FATO) areas, and include the approach and departure sectors; and

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder

- Search and Rescue Services Limited should consider the effects of any nearby obstacles infringing the OLS in accordance with AC 139-8, and mitigate the risks of these obstacles as appropriate; and
- All helicopter operations within the vicinity of the heliport must be in accordance with CAR Part 91.127 (Use of aerodromes); and
- Search and Rescue Services Limited is to ensure all heliport users are briefed about the hazards and the associated risks applicable when operating to the heliport, reminding pilots of the proximity to public roads and pedestrian traffic; and
- Search and Rescue Services Limited is to provide the CAA with an annual report of traffic movement data for the Waikato Hospital Heliport, in accordance with CAR Part 139.505(a).

This Conditional Determination shall become void on 12th December 2023.

Dated at Wellington this 15th day of March 2023
