

Heliport Conditional Determination

Heliport Proposal, Murchison Heli Tours Heliport

PURSUANT TO Rule Part 157 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Murchison Heli Tours Limited a Notice of a Heliport Proposal, conducted an aeronautical study in consultation with such persons, representative groups and organisations as I considered appropriate.

After completing the aeronautical study I am satisfied that the proposed action may adversely affect the safety of persons or property on the ground, surrounding aerodrome traffic circuits and be affected by objects, but will not impact the safe and efficient use of airspace.

THEREFORE I HEREBY ISSUE a

CONDITIONAL DETERMINATION

in respect of the Notice of Proposal. The following conditions are specific to this Determination:

1. Operations at Murchison Heli Tours should maintain a listening watch on the applicable radio frequency (119.1 MHz), and broadcast their intentions as appropriate within the vicinity of the heliport; and
2. Murchison Heli Tours is to ensure that the design and layout of the Heliport complies with standard design requirements provided in AC139-8 – Heliports; and
3. In addition to the design requirements provided in AC139-8 – Heliports, Murchison Heli Tours is to install fencing with signage around the perimeter of all operational areas of the heliport, and install a Windsock; and
4. Helicopter operations on the departure and approach paths to/from the FATO must also be made in accordance with CAR Part 91.127 (d)(2) and 91.127 (d)(3); and
5. Murchison Heli Tours is to provide CAA with an annual report of traffic movement data for Murchison Heli Tours Heliport, in accordance with CAR Part 139.505 (a).

This conditional determination shall become void on 19th September 2019.

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder

Dated at Wellington this 19th day of September 2018.

Sean Turangarau Kere Rogers
Manager Aeronautical Services
