

## **Christchurch Hospital Acute Services Building Heliport Conditional Determination**

### **Christchurch Hospital Acute Services Building Heliport Canterbury District Health Board**

PURSUANT TO Rule Part 157 of the Civil Aviation Rules I, Christopher Martin Ford, General Manager Aviation Infrastructure and Personnel, having received from Canterbury District Health Board a Notice to establish a heliport at the Christchurch Hospital, authorised an aeronautical study in consultation with such persons, representative groups and organisations as I considered appropriate.

After completing the aeronautical study I am satisfied that the proposed action will not adversely affect the safety of persons or property on the ground, but may impact the safe and efficient use of airspace.

THEREFORE I HEREBY ISSUE a

#### CONDITIONAL DETERMINATION

in respect of the Notice of Proposal. The following conditions are specific to this Determination:

- The location of the heliport needs to be shown on aeronautical charts to:
  - Alert overflying aircraft to the presence of the heliport; and
  - Aid navigation to the heliport.
- The heliport is constructed to the safety design standards published in CAA Advisory Circular AC139-8.

This conditional determination shall become void on 27<sup>th</sup> day of November 2017.

Dated at Wellington this 27th day of November 2015.

Christopher Martin Ford  
General Manager Aviation Infrastructure and Personnel  
(DW1322013-0)

*The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder*
