

Heliport Conditional Determination

Heliport Proposal, Haast Heliport

PURSUANT TO Rule Part 157 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Fox Franz Heliservices Limited a Notice of Heliport Proposal, conducted an aeronautical study in consultation with such persons, representative groups and organisations as I considered appropriate.

After completing the aeronautical study I am satisfied that the proposed action will not impact the safe and efficient use of airspace, but may adversely impact aerodrome traffic circuits, the safety of persons and property on the ground, and the effect of objects.

THEREFORE I HEREBY ISSUE a

CONDITIONAL DETERMINATION

in respect of the Notice of Proposal. The following conditions are specific to this Determination:

1. Fox Franz Heliservices must establish arrival and departure procedures that minimise the risk for conflicting circuit operations at Haast aerodrome. Fox Franz Heliservices must use standard radio procedures for arrival and departure from the heliport on the aerodrome frequency, and adhere to the Haast aerodrome circuit for heliport operations;
2. Fox Franz Heliservices is to coordinate with the Haast aerodrome operator to update the AIPNZ to annotate the heliport location on the Haast aerodrome (NZHT) chart. Furthermore, the current aerodrome chart comment is to be updated to reflect the correct distance from THR RWY 34 at Haast aerodrome (0.6 nautical miles);
3. Fox Franz Heliservices is to ensure the design and layout of Haast heliport complies with the standard design requirements provided in AC 139-8 – Heliports;
4. In addition to the design requirements provided in AC 139-8, Fox Franz Heliservices is to install fencing with signage around the perimeter of all operational areas of the heliport, and install a windsock;
5. Helicopter operations on the departure and approach paths to/from the FATO must also be made in accordance with Civil Aviation Rules 91.127 (d) (2) and 91.127 (d) (3);

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder

6. Fox Franz Heliservices is to provide CAA with an annual report of traffic movement data for Haast Heliport, in accordance with CAR Part 139.505(a);

This conditional determination shall become void on 8th day of June 2019.

Dated at Wellington this 8th day of June 2018.
