

## **Heliport Conditional Determination**

### **Heliport Proposal, Lister Helicopters Heliport**

PURSUANT TO Rule Part 157 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Lister Helicopters Limited a Notice of Heliport Proposal, conducted an aeronautical study in consultation with such persons, representative groups and organisations as I considered appropriate.

After completing the aeronautical study I am satisfied that the proposed action will not adversely affect the safety of persons or property on the ground, but may impact the safe and efficient use of airspace.

THEREFORE I HEREBY ISSUE a

### **CONDITIONAL DETERMINATION**

in respect of the Notice of Proposal. The following conditions are specific to this Determination:

- Pilots operating to/from the proposed heliport need to be aware of the existing danger area D725 and should operate in an around this area in accordance with recommended practice.
- Lister Helicopters should maintain a listening watch on the applicable radio frequency and broadcast their intentions as appropriate within the vicinity of the heliport.
- Lister Helicopters Ltd is to ensure the design and layout of Lister Helicopters heliport complies with the standard design requirements provided in AC139-8-Heliports.
- In addition to the design requirements provided in AC139-8 – Lister Helicopters is to install fencing with signage around the perimeter of all operational areas of the heliport, and install a windsock.
- Helicopter operations on departure and approach paths to/from the FATO must be in accordance with CAR 91.127
- Lister Helicopters should arrange to have the Helipad incorporated in the AIP (Aeronautical Information Publication) New Zealand.

*The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder*

This conditional determination shall become void on 11 March 2021.

Dated at Wellington this 11th day of March 2019.

Sean Turangarau Kere Rogers.  
Manager Aeronautical Services  
(DW1354068-0)
