

## **NAVIGABLE AIRSPACE DETERMINATION: Hawkins Construction Ltd Mobile Crane Unit for New Wellington Control Tower**

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Hawkins Construction Ltd, notification of intention to operate a mobile crane in conjunction with the construction of the new ATC control tower for Wellington Airport, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a  
DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The crane must be equipped with an operating red flashing hazard at all times that it is extended above the OLS at Wellington Airport;
2. Wellington International Airport Limited and Wellington ATC are to coordinate crane activity times as required;
3. Crane activity is to be advised by NOTAM or AIP SUPP;
4. The CAA is to be notified of the final cessation of the crane operation.

This Determination of Hazard shall become final on 17<sup>th</sup> day of February 2017 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 20th day of January 2017.

Sean Turangarau Kere Rogers  
Manager Aeronautical Services  
(DW1341298-0)

*The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder.*
