

NAVIGABLE AIRSPACE DETERMINATION: Fletcher Construction- Crawler Crane at New Multi Level Car Park Wellington International Airport

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Fletcher Construction, notification of intention to operate a 50 meter crawler crane at the new multi-storey car park, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, would not constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF NO HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

- The crane is to be equipped with a red obstruction light placed at the highest point of the crane in accordance with Civil Aviation Rule Part 77, Appendix B; and
- The light is to be operated while any part of the crane is above the height of the terminal building; and
- ATC are to be provided with at least 5 days prior notice of the commencement of operation of the crane.

This Determination of No Hazard shall become final on 7th day of January 2016 unless a petition for review is received by the Director prior to that date.

This Determination of No Hazard shall expire on 1st day of May 2017.

Dated at Wellington this 1st day of December 2015.

Sean Turangarau Kere Rogers
Manager Aeronautical Services
(DW1322097-0)

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder
