

NAVIGABLE AIRSPACE DETERMINATION: Hawkins Limited, Auckland Airport. Position S 37 00 18.45 E 174 47 11.91

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Hawkins Limited notification of the operation of a mobile crane, required for the installation of a tower crane at the site, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. Hawkins Limited is to contact Aeropath – Part77@aeropath.aero (quote 25 77 20) and request the affected Instrument Flight Procedures are adjusted according to the Aeropath assessment; and
2. Hawkins Limited must contact Auckland Airport operations to arrange a NOTAM to be issued advising of the crane for the duration of activity; and
3. The mobile crane is to be lit with appropriate obstacle lights in accordance with Civil Aviation Rule Part 77, Appendix B; and
4. The mobile crane is not to exceed a maximum height of 68m AMSL; and
5. Hawkins Limited is to advise the CAA – Quote 25/77/20 (aeronautical.services@caa.govt.nz) when the mobile crane operating at the site is no longer in use; and
6. When the mobile crane is lowered and no longer in use, Hawkins Limited is to contact Auckland Airport Operations and request any NOTAM to be cancelled.

This Determination of Hazard shall become final on 22nd November 2024 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 25th day of October 2024.

A handwritten signature in black ink, appearing to read 'Sean Rogers', with a stylized flourish at the end.

Sean Turangarau Kere Rogers,
Manager Aeronautical Services
