

NAVIGABLE AIRSPACE DETERMINATION: 36C Collingwood Drive Rotorua

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Rogers, Manager Aeronautical Services, having received from Barry and Linda Gates, notification of intention to construct a building at 36C Collingwood Drive Rotorua, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE A DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. Barry and Glenda Gates engage with Rotorua Regional Airport Ltd to mitigate the associated risks of penetration of the OLS (Conical) resulting from the proposed building at 36C Collingwood Drive, Rotorua.

This Determination of Hazard shall become final on 22 December 2019 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 22nd day of November 2019.

Sean Rogers
Manager Aeronautical Services

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder.
