

NAVIGABLE AIRSPACE DETERMINATION: 59 Dee Street, Invercargill

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Leighs Construction Limited, notification of intention to operate a crane at 59 Dee Street, Invercargill, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE, I HEREBY ISSUE a

DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The Crane must be lit with an appropriate obstacle light in accordance with Civil Aviation Rule Part 77, Appendix B; and
2. Leighs Construction Limited shall liaise with Invercargill Airport (chris.fox@invercargillairport.co.nz) prior to the crane operation so that a Notice to Airmen (NOTAM) can be issued for the awareness of aviators; and
3. Leighs Construction Limited shall advise the CAA (aeronautical.services@caa.govt.nz) when the crane operating at the Dee Street site is no longer operating.

This Determination of Hazard shall become final on 22nd July 21 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 24th day of June 2021.

Sean Turangarau Kere Rogers
Manager Aeronautical Services

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder.
