

NAVIGABLE AIRSPACE DETERMINATION: 66 Willow Street, Tauranga.

Position 37 40 54.81 S 176 10 09.05 E

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Hamish William McKoy, acting Manager Aeronautical Services, having received from Watts and Hughes Construction Limited, notification of a crane operating at the location above, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The tower crane is to be lit with appropriate obstacle lights in accordance with Civil Aviation Rule Part 77, Appendix B; and
2. Watts and Hughes Construction Limited must contact Tauranga Airport operations to confirm a NOTAM is issued advising of the crane for the duration of activity; and
3. Tauranga Airport Authority is to contact Aeropath for them to re-issue, as necessary, the (Part173) NOTAM to revise approach minima (CAT A Aircraft – circling minima) when this crane becomes the controlling obstacle (planned for December 2024); and
4. The mobile crane is not to exceed a maximum height of 98m AMSL; and
5. Watts and Hughes Construction Limited is to advise the CAA – Quote 24/77/68 (aeronautical.services@caa.govt.nz) when the tower crane operating at the site is lowered and no longer in use; and

6. When the tower crane is lowered and no longer in use, Watts and Hughes Construction Limited is to contact Tauranga Airport Authority and request any NOTAM to be cancelled.

This Determination of Hazard shall become final on 29th September 2024 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 30th day of August 2024.

Hamish William McKoy
(Acting) Manager Aeronautical Services
