

NAVIGABLE AIRSPACE DETERMINATION: **Security Fence at Nelson Airport.**

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Nelson Airport Limited, notification of intention to erect a perimeter security fence at Nelson Airport, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

THEREFORE I HEREBY ISSUE a

in respect of the above notification.

The following conditions are specific to this Determination:

1. Nelson Airport Limited is to enter the fence into their Hazard Register for the airport; and
2. Nelson Airport Limited is to enter the fence into the appropriate NZNS AIP Charts for the situational awareness of aviators of this new hazard.

This Determination of Hazard shall become final on 3rd June 2022 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 6th day of May 2022.
