

Operator Statement Details

Instructions and advice for completing this form:

1. The details on this form are for the purpose of an Operator Statement, and are required to be provided for those aircraft which are to be issued with a Special Category – Exhibition or Special Category – Limited Airworthiness Certificate in accordance with Civil Aviation Rule (CAR) 47.53(d). These Special Category Airworthiness Certificates must be accompanied by an operator statement in accordance with CAR 47.55(c).
2. Under CAR 47.61 the holder of a New Zealand certificate of registration for an aircraft issued with a Special Category – Exhibition or Special Category – Limited Airworthiness Certificate must notify the Director, as soon as practicable, of any change that affects the currency of any information contained in the Operator Statement required by Rule 47.55(c).
3. Entries on this form should be typed or printed in block letters.
4. These details must be submitted to CAA not less than 28 days prior to the date of Registration.
Post or deliver this form to: Civil Aviation Authority, PO Box 3555, Wellington 6140.
5. Delays in the receipt of the operator statement information will delay the registration of the aircraft.
6. Under CAR 47.55(a)(5) the details on the Operator Statement, and under CAR 47.61(c) any amendment to those details, must be acceptable to the CAA. Charges associated with this assessment of the details in the Operator Statement will either be included in the cost of the initial issue of the Special Category – Exhibition or Special Category – Limited Airworthiness Certificate, or will be invoiced under a separate work request.
