

Application for Test Pilot Approval Experimental Flying

Application requirements and instructions for completing the form

- a) Experimental flying requires a test pilot to be approved in accordance with [CAR 19.405](#). See [AC19-1](#) for a definition of Experimental Flying and details of the Test Pilot assessment and approval process.
- b) Assessment of a test pilot application is a chargeable activity at the CAA standard rate specified in the applicable Civil Aviation Charges Regulations. Follow the link for information on [fees and charges](#)
- c) Please ensure all documents - no application will be processed until all required documentation are received.
- d) In circumstances where an organisation (rather than an individual) is to be charged for the activity, please fill out Section 1 with the organisation details and Section 4 with the individual applying for the approvals. If the individual is to be charged then the individual's details should be used in both Sections 1 and 4
- e) Further notes and instructions are included in the grey margins of the different sections.
- f) Use additional sheets to provide further details and explanations that do not fit the original sections of the form.
- g) Scan this form and email to pft.admin@caa.govt.nz or post to Civil Aviation Authority, PO Box 3555, Wellington 6140.
